Personal profile

I am a 3rd Year Computer Science student looking for a challenging environment where I could have hands-on work with creating games, and where I could further develop my knowledge of game development to help progress my career goal of working as a professional Game Developer.

Education:

2018-2021	**City, University of London, BSc (Hons) Computer Science**
	Modules include: Programming in Java, Advanced Games Technology Databases & Web Development Business Systems, Programming in C++, Object Oriented analysis & design, Programming and mathematics for AI, Computer Graphics
2014-2018	**Southborough High School**
	3 A-levels Biology (C) Maths (C) Chemistry (C)
	9 GCSEs Grades: A-C including Maths, English and Computer Science

Technical skills

Programming Languages: Java, SQL, Python, JavaScript, C++, C# (intermediate), CSS (beginner)
Software Packages: Microsoft Office Suite (advanced)
Operating Systems: Windows 10 & Windows 7 (Intermediate)
Game Development: Unity, OpenGL (intermediate)

Projects:

- Have used C++ with an OpenGL based engine to create a game for a university project
- Created Java application that inputs and takes data from a MySQL database
- Have used javaFX to create a model for a till system
- Created a game in unity using C# for the weekly game jam week 110
- Created a game with a team of 3 people in 72 hours for ludum dare 46 game jam

Employment History

03/2019-01/2020   **The Rodboro Buildings Pub, Guildford, Bar Associate**

- Strive to create a welcoming and enjoyable experience ensuring customer satisfaction by maintaining a friendly, accommodating and positive attitude at all times.
- Utilized knowledge of mixed beverages, specialty liquors, and craft beers to serve customers and provide wait staff with well- prepared drinks in a timely fashion.
- Work diligently to assist co-workers when necessary.
- Monitor cash registers and collect payments for drinks and food.

10/2018 - 03/19   **Premier Inn Hotel, Surbiton, Front of House Team member**

- Answered telephonic and in-person queries related to hotel services and resolved any issues customers had in a polite and timely manner.
- Efficiently processed guests' check-ins and outs
- Adaptable attitude to work as I could be called on to help serve food orders in the morning and evening.

Extra-Curricular Activities and Interests

Reading mentor during A-level
Weekly game jam week 110 achieved 29th place out of 56 entries
